

**REMARKS**

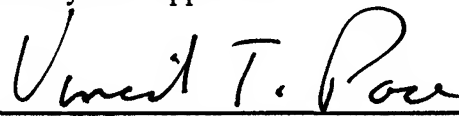

Claims 1-23 are cancelled. Claims 24-27 are still pending.

In the Advisory Action mailed on August 7, 2009, the Examiner indicated that Claims 24-27 are allowed. The rejection of Claims 1-11 and 13-23 was maintained. The Applicants disagree with the Examiner's interpretation of the McIntyre patent as set forth in the Official Action and in the Advisory Action. Nevertheless, Claims 1-11 and 13-23 are being cancelled in order to expedite the allowance of this application. The Applicants reserve the right to file a continuation application to have the subject matter of the cancelled claims re-examined.

In view of the allowance of Claims 24-27 and the cancellation of Claims 1-23, this application is in condition for allowance. The Applicants respectfully request that the amendments to the claims be entered.

Respectfully submitted,
